CUSTOMER COMPLAINT INTAKE REPORT

Reporting Entity:	Apollo Pharmacy (Central Hub)	Date of Report:	2026-09-11
Product Name:	Amoxicillin Capsules 500mg	Strength/Dose:	500mg
Batch / Lot Number:	BMX240601	Affected Quantity:	12 capsules in 1 sealed bottle
Mfg Date:	2026-01-01	Exp Date:	2026-12-01
Complaint Category:	Discoloration	Packaging Integrity:	Induction Seal Intact

Defect Description & Clinical Observations:

During dispensing at Apollo Pharmacy, dispensary staff noticed unusual brownish discoloration across 12 capsules within a factory-sealed bottle of Amoxicillin Capsules 500mg (Batch: BMX240601). The tamper-evident induction seal was completely intact prior to inspection. No physical breakage, powder leakage, or foreign particulates were observed. Dispensing was immediately halted and the remaining stock has been quarantined pending manufacturer investigation.
